

GO WITH A
MODERN MATT
STEEL FINISH

GIVE YOUR SHED A PREMIUM FEEL

Give your Fair Dinkum Shed a fresh, modern look with a matt steel finish. Using innovative matt paint technology, this finish has a softer and more subtle appeal. Available in a range of popular colours, this option offers a premium alternative that adds texture and style to your shed in a truly modern fashion.

Go subtle or go striking

COLORBOND® steel Matt is available in a range of the brand's most popular colours.

Go simple and sophisticated with with a muted tone, or go darker and make a dramatic statement!

Monument®

Basalt®

Surfmist®

Genuine quality steel in a matt finish

Matt steel is designed to stand up to the elements. Tested for years in the harshest Australian environments, this innovative matt paint technology is proven to last. Offering a quality matt finish, whilst retaining the aesthetic appeal of genuine COLORBOND® steel.

Finished to perfection

For the ultimate finish, choose roller doors and personal access doors in matt steel. Then consider a range of other design options such as a monopitch roof and eaves to complete your truly inspiring shed.

Make the most of matt

Your local Fair Dinkum Sheds distributor is on hand to help get the look you're after. With years of shed-building experience, they know what looks great. With the help of sophisticated design software, they'll assist you to make the colour and design choices that'll deliver a result you will be proud of.

Your local Fair Dinkum Sheds Distributor:

The local distributor is an authorised independent distributor of Fair Dinkum Sheds' products and enters into agreements with its customers on its own behalf and not as an agent of Fair Dinkum Sheds.

"The shed looks awesome, it actually looks better than the house!"

Adam and Kylie, Wendouree Vic
